Once again, Joel had a very successful season representing Saskatchewan as one of our junior-elite triathletes. Joel finished the 2010 season ranked 6th in Canada on the Tech National Junior Elite Series. Joel had three strong races in the series in 2010 and would have added a fourth if not for a virus left him unable to finish one race. At Coteau

du Lac in June, Joel finished 12th with a time of 1:00:02, he had a home-field podium finish of 3rd at our Living Sky Tri race in July and finished 5th at the Kelowna Junior Nationals in August.

Joel added to this success in 2010 with a strong 4th place finish at Ixtapa, Mexico in May as well as two first-place overall finishes in Saskatchewan Provincial races: Joel won the Bridge City Duathlon with a time of 55:31 and won the Sprint race at the Merlin Ford Spin Off Spadina with a time of 1:00:17.

Joel is now attending the University of Saskatchewan and continues to give to the sport as a co-president for the University of Saskatchewan Triathlon Club. He also coaches swimming for STCI and assisted coaching of school triathlon clinics in 2010.
