

# Board Nomination Form

Name **Nicole Shoaf** Phone **306.925.2222**

Address **1000 10th Street West**

City **Saskatoon** Postal **S7N 3K1** STAC # **SK00168**

Nominated by: **Shayla Romanyshyn** (Must be a 2017 STAC Member)

**Please Provide short bio:** Current member-at-large on STAC Board, current Vice-President of STCI, present and past volunteer and past participant in the Just-Tri-It program. Significant experience in the corporate world including current management of a \$450m Housing Fund for the Provincial government. International experience in syndicated corporate loans and commercial mortgages for a leading international bank which has provided valuable relationship management, contract review, finance and marketing skills.

**Why would you like to serve on the STAC Board?** I am presently serving on the 2016 STAC Board as a member at large and feel that I have contributed valuable opinions and observations which have led to informed and balanced decision making. I have entered the world of triathlon only in the past few years but am at an age and time in my life that allows sufficient time and experience to add value to the board and the development of a wider membership. There are a number of initiatives I am currently involved in which I would like to continue, specifically improvement in communication and sponsorship. Additionally, as Vice-President of STCI there is also an inherent shared transfer of knowledge, practice and observation which would be valuable to STAC.

**Area(s) of expertise / contribution that you feel you can make:** I have significant experience in relationship management, contracts, finance and marketing which are key to good decision making at Board level. I am representative of a key demographic within the Saskatchewan triathlon community (via my gender, age, income and sport experience) and feel that my views and perspective can help membership and sponsorship opportunities grow. Although representative of this demographic I am able to consider the provincial organization as a whole and provide an informed, impartial view ensuring the decisions made are in the best interest of the entire provincial membership.

I am grateful for all that the sport of triathlon has provided me over the past few years - better physical and mental health as well as a busy social life - and I am looking forward to continue my efforts in providing back to the triathlon community!
