Name \_\_\_\_\_Jori Perras\_\_\_\_\_

Address \_\_\_\_\_

City\_\_\_\_Regina \_\_\_\_\_ STAC #\_sk00617\_\_\_\_\_

Nominated by:\_\_\_\_Jackie Hatherly\_\_\_\_\_ (Must be a 2017 STAC Member)

**Please provide short bio:** \_I raced my first triathlon in 2004 when I took part in the Brent Gibson Icebreaker triathlon in Regina. I had a daughter who was 8 months old at the time. From that day, I was hooked on the sport. Through the years, I continued to volunteer at that triathlon and others with 2 children and a husband actively taking part in several races each year. Both of my children are now part of the Regina Multisport Youth triathlon program and my daughter Ella has participated the last year in the STC Saskatchewan Youth Elite program. Further, I have just received my Level 1 Official course and plan to take my Official II course in the coming year.

Why would you like to serve on the STAC Board? I love being involved with the sport of triathlon and thoroughly enjoy watching my children grow within the Saskatchewan programs. I see them learning lifelong skills, and I want to give back to the sport to ensure other families can benefit like ours has. I would also like to support the STAC organization ensuring the members across entire province are well represented.

Area(s) of expertise / contribution that you feel you can make: I have strong experience with business relationship management, Finance, Marketing, leadership positions and am a Project Management Professional all of which will greatly assist the board coming to common ground and making effective decisions benefitting its diverse membership base. Further, I will come with a fresh perspective, plenty of energy, thorough engagement and a love for the sport of triathlon which I believe could greatly assist in the sport's growth and development within our province.
