Please address the following areas as part of your nomination:

1. Please describe the nominee's contribution to the overall organization, promotion, and development of the sport. This may include committee involvement, clinics, organization in races, programs, development of assistant coaches, and other service record information including leadership initiatives.
2. Please include any other efforts of initiatives to be considered that may be of interest.
3. An effective coach is one that is ethical, progressive and fair. Coaching effectiveness refers to the steady improvement that has been shown by the athletes. Please provide specific examples of athletes who have displayed significant improvement under the nominees' guidance.
4. Please provide examples of how the coach demonstrates concern for the all-round development of the athlete: assists the individual in balancing sport, social and educational needs, and in developing confidence, self-discipline and respect.
